The parties shall file, on or before **December 16, 2024**, a joint report advising of the status of this matter including, for example, whether they have reached an agreement on all issues, have determined that additional settlement discussions would not be productive and believe that an impasse should be declared, or have made progress toward an agreement but request that the judicial settlement conference be reconvened with the undersigned (and, if so, whether such conference should be expanded to include any other pending cases).

It is so ordered.
